1-2-3 Easy Installation Guide

bwa™ Welcome Kit

STOP
Make sure your spa is turned OFF before you continue

bwa™ Wi-Fi Module (50350)

Y-Splitter (25657)

Connecting The Wi-Fi Module

2

SYSTEM
SIDE VIEW

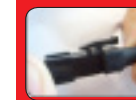

Make sure the clip is in the correct position

You will hear a **CLICK** once connected.

Note: Black Wi-Fi cable.

After the Wi-Fi wire module is inserted, gently pull on the wire to make sure the clip is securely in place and will not come lose.

Finished Installation Overview

3

Note: Place the Wi-Fi module away from any metal tub supports.

WARNING!

If you do not see the Wi-Fi connector from your system. Please contact an electrician or your local spa technician to connect the Wi-Fi connector for you. **DO NOT OPEN THE SPA SYSTEM AND ATTEMPT TO CONNECT THE WI-FI CONNECTOR YOURSELF.** The high electrical voltage may harm or kill you.
